

CFAC

Please Join Us!

April 24 and 25

Afternoon open house: **12 - 5 p.m.**

Evening presentation: **6:30 p.m.** followed by a question-and-answer session.

The in-person meetings will take place at The Hub Downtown, located at 533 1st Ave E, Columbia Falls, MT 59912.

Engagement and Information Session About the Columbia Falls Aluminum Superfund Site.

Representatives of the Environmental Protection Agency (EPA), Montana Department of Environmental Quality (MDEQ), Roux Associates, and Columbia Falls Aluminum Company (CFAC) will provide information about the development of the Remedial Investigation, Feasibility Study, and Proposed Plan and be available to answer any questions that you have about the site, the assessments, the process that has occurred so far, and the steps going forward.

There will be several opportunities to participate. Afternoon open house-style sessions will be held for the community to review information, meet with representatives from CFAC, EPA, and MDEQ, and ask questions in a less formal setting. Attendees may stop in as their schedules allow.

Evening sessions will include a formal presentation followed by a question-and-answer session.
